MAY 9, 2006

“BE KIND TO ANIMALS WEEK”

May 7-13, 2006 is national “Be Kind to Animals Week,” an observance designed to highlight the philosophy of kindness to animals. As humans, we are endowed not only with the blessing and benefits of our animal friends who give us companionship and great pleasure in our daily lives, but also with a responsibility to protect these fellow creatures from need, pain, fear and suffering.

The residents of Los Angeles County are deeply indebted to the Animal Care and Control employees and volunteers for their invaluable contribution in caring for lost and unwanted animals, instilling humane values in our children, and promoting a true working spirit of kindness and consideration for animals in the minds and hearts of all people.

I, THEREFORE MOVE that the Board of Supervisors proclaims the week of May 7-13, 2006 as “Be Kind to Animals Week” to promote attitudes of kindness, consideration and respect for all living things.
